Enjoy Your Labor Day Weekend!!
September's Core Essentials / Big Idea is
"Initiative" – Seeing what needs to be done and doing it!

MESSAGE FROM THE PRINCIPAL Mrs. Reilly

Good Afternoon,

We hope that you have had a wonderful two weeks. We have been very busy at RHPS. It's hard to believe that we are starting September already! In some respects it seems like we just started the school year yesterday. ;)

Constitution Day will be coming up on September 17th. The teachers will be introducing several lessons surrounding the topic of the Constitution, as well as other related topics, over the next few weeks. The students will be learning a lot in each of their classrooms in recognition of these social studies standards and instructional focuses.

More information will be coming; however, we did want to let you all know that our fall fundraiser will be kicking off on Friday, September 24th. Students in the EC/

RL classes will bring their fundraising packets home on Thursday, 9/23 and K-1-2 students will bring their information home on Friday, 9/24. We are working towards another electronic fundraising process, like we did last year, due to health concerns and considerations (more info. is noted on page 2).

We will be completing the fifth week of school on September 17th. Therefore, our mid-term progress reports will come home with your child by Thursday, 9/16 (Pre-K) or Friday, 9/17 (K-1-2). Please look for those reports and review your child's progress and development. If you have any questions, please check in with your child's teacher in order to seek clarification. We are proud of the children and their hard work these first few weeks of school and encourage them to continue working hard to gain

skills and demonstrate growth in their overall development. We know that our efforts in working together will help all of our kiddos flourish!

We are currently allowing field trips to occur. Staff members are beginning to give consideration to the fall field trips that they will be scheduling. Teachers will plan and schedule field trips that correlate with instructional standards and reinforce the learning that is occurring. Not all trips are planned as of yet, but they will be planned in the upcoming weeks. Please watch for information regarding a trip for your child.

Have a great two weeks!

School News:

Fall Temperatures & Personal Belongings:

Fall is just around the corner. I know that we are all looking forward to some cooler temperatures. As cooler temperatures become present, we know that students will begin wearing jackets etc. Please be sure to clearly mark your child's clothing (i.e. jackets, sweatshirts, hats, gloves), as well as any other personal belongings (i.e. water bottles, lunch boxes). This will help us in returning lost items to the correct individuals.

Just a reminder, electronic items, cell phones and **toy weapons of any kind are specifically prohibited (per district policy)**.

The school is not responsible if personal items are lost, stolen or broken.

We Wish You Well

Constitution Day is Friday, Sept. 17th.

FUNDRAISER KICK-OFF

We will be kicking off our fundraiser on Friday, September 24th (Thursday, September 23rd, for Early Childhood and Rocket Launch classes). We want the children to be safe throughout the fundraising process, so we would like to encourage your children to **only** contact friends and family to see if they may potentially be interested in any of the products we have available. The products will be ordered on-line and will be shipped directly to the purchaser. This will hopefully help assist in reducing the spread of germs and contagions due to the pandemic and all health considerations. We recognize economic times may not be optimal for some of our patrons; however, we do appreciate any effort you can provide towards our fundraising endeavor. The funds generated from this fall fundraiser will be used for classroom and/or building resources (i.e. instructional materials, technology tools and equipment, student needs, field trip expenses, etc.). If you prefer to make a donation to the school, as opposed to participating in the fundraiser, that is also an option (call the office for information). We will be providing additional information as the fundraiser gets closer. If you have any questions regarding the fundraiser once it is up and running, please don't hesitate to contact the primary office at 776-3340. Thank you in advance for supporting our school in this effort.
