		____ morning ____noon ____ dinner ____bed
		____ morning ____noon ____ dinner ____bed

All prescription medications administered at school require written parent permission and written authorization from a physician or a copy of the pharmacy label. Forms are available from the school nurse.

Over the Counter Treatment Permission: Place a mark (X) by each over the counter treatment (OTC) you approve of for use for your child. It is the parent's responsibility to provide any OTC medication that is taken on a regular basis.

____ Acetaminophen (Tylenol) for minor headaches, aches, pains per package directions
____ Antacids (Tums or equivalent) for occasional stomach indigestion complaints
____ Antibiotic ointment for minor cuts and scrapes
____ Benadryl oral for allergic reactions per package directions
____ Calamine, hydrocortisone cream for minor rashes, bug bites, poison ivy
____ Ibuprofen (Advil, Motrin) for headaches, minor aches and pains per package directions
____ Midol, Pamprin

I authorize the use of the above named over the counter products for my child unless specifically revoked by me. He/she has used these products in the past without adverse effects or reaction. I further understand that any school personnel of USD 394 who administers such treatment to my child pursuant to written parental permission will not be held liable for any adverse reactions that may occur as a result of administering such treatment. **I understand that it is my responsibility to notify the school nurse of any changes in health status or medications.**

Parent Initials _____

Consent to receive medical treatment

I, the undersigned being the natural parent or legal guardian of the above named student, do hereby consent to the securing of emergency treatment, including necessary transportation to receive such treatment by the Superintendent or by his/her designee of Rose Hill Schools USD 394, which is in effect until specifically revoked by me.

Parent Initials _____

FERPA consent to share immunizations with KS Web-IZ

Kansas Web-IZ is an online state immunization registry that keeps records from birth to death. This allows immunizations to be input from health departments, physician's offices, pharmacies and schools. Many of you have already given permission through these entities. The school nurses are asking that you give permission to for us to enter immunization dates into this database. If you are in agreement with sharing this information to the Kansas Web-IZ, please initial below.
