

Knowledge JANUARY 2023

SAY IT:

I can discover and explore new things.

KNOW IT:

FAMILY DISCUSSION TIME:

- Every day you are learning new things at school, at home, or at play. Talk about something that you recently learned.
- What is something that you would like to learn about or learn to do?

SEE IT:

Find some friends or family members to challenge in [this animal trivia game](#). Make it a fun competition to see who can answer first or make tallies for who can answer the most questions correctly. Remember that learning new things can be fun! You can search YouTube to find other preschool trivia games.

BE IT:

Think about a topic you would like to learn more about. Come up with a list of ways you can learn more about it. Check out some children's books at your local library or find some educational websites to help you learn about the topic you chose. As a family, make a poster, slideshow, or book to present all of the facts you learned about your topic.

Knowledge
JANUARY 2023

In the elementary years,
a child develops skills that
equip their future.

Here are three questions that all elementary-aged children are asking:

1. Do I Have Your Attention?

In Kindergarten and first grade, a child craves adult attention and approval.

2. Do I Have What It Takes?

In second and third grade, a kid wants to know how their abilities compare with peers.

3. Do I Have Friends?

In fourth and fifth grade, a kid begins to prioritize friends in a new way.

Relationships create a safe place to resolve who we are. Relationships bring clarity. When kids see themselves the way a loving adult sees them, it changes how they see themselves
